

Sew-Ciety Presents...

Gail Dodson

Get Creative with Gail!
Viking/Pfaff Educator

Beyond her love of sewing, beyond her love of embellishment with embroidery, Gail loves to teach and help others discover their creativity. Her reward is in the happiness she sees on the faces of all her SVP event participants at the end of the day. For over 40 years Gail has been perfecting her own skills, and passing that knowledge on to other sewers. Twenty two of those years were spent as an officer in the Air Force. She is an award-winning expert in digitizing and custom embroidery. Her specialties include 5D Embroidery Software, Quilt Design Creator, and automated quilting. Gail loves clothing construction, quilting, designing and creating tote bags, and automated quilter design creation.

Pfaff PowerQuilter P3/Husqvarna Viking Platinum 3000 and Quilt Artist/Quilt Sew Clever Automated Quilter Intro
Tuesday, June 26, 9-12pm or 1-5pm

Make a quilted pillow while experiencing how to navigate the Automated Quilter. You will choose a pattern, rotate and scale it to fit your quilt block. You will create vertical and horizontal borders to finish the pillow front. You will nest an edge to edge design to create the back of the pillow.

Class Fee \$25

Sampler Quilt Techniques from QuiltDesign Creator
Wednesday, June 27, 10-4pm

Create a set of sampler blocks as you experience 'Start a New Quilt Block', the latest addition to the new Design Wizard in the 5D™ version of QuiltDesign Creator. Techniques will include stipple, parallel and cross-hatch embroidery quilting designs suitable for plain blocks; raw-edge appliqué; trapunto; echo quilting. Take the designs home to create a table runner or quilted project.

Class Fee \$30

Zipper Bag (Compute & Sew)
Thursday, June 28, 10-4pm

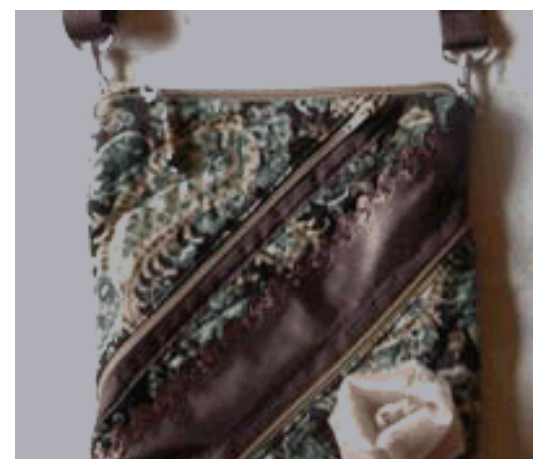

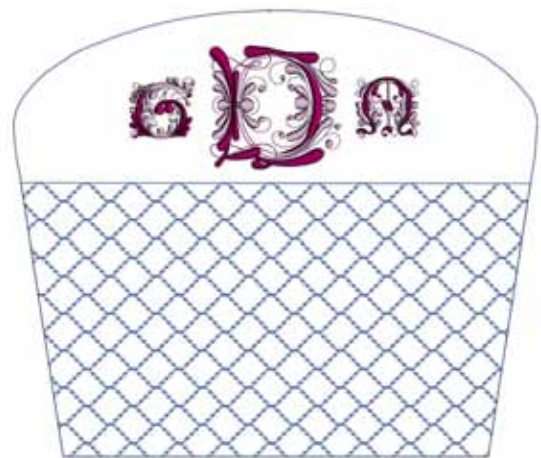

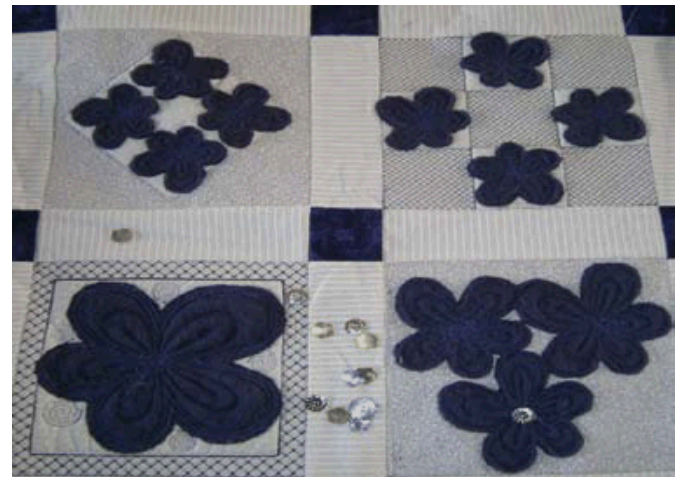

Create embroideries for a quilted zipper bag, with a monogram on one side and a built-in embroidery design on the other. Quilt out the bag front then back in the embroidery hoop, add a zipper closure, and take home this Grand-sized (Mega-sized) bag.

Class Fee \$30

Serging Ahead
Friday, June 29, 10-3pm

A coverlock™ 4.0 or S25 is the perfect complement to your sewing machine, but it can do so much more than just finish seams. Let's serge ahead and discover new techniques that take us beyond the basics. Test drive our sergers!

Class Fee \$30
