The finished size is 4 1/2 inches x 7 1/2 inches.

The size of the bag's phone and style featured requires a minimum 6-inch X 8 1/2 inch embroidery area.

- Learn the process of creating an in-the-hoop design from an idea to a beautiful and useful accessory.
- A protective bag with a unique see-through tactile window keeps the phone clean and safe.
- The backside of the bag features a zipper pocket to store a facemask or sunglasses
