

UFOs with benefits.....

Let's finish up some projects for 2023 . . . and win some prizes!

1. Register 6 unfinished projects. Bring them into the shop to get an *official* UFO number assigned to each project.
2. Every month come in and draw the number of a UFO which will be finished for that month
3. Show the finished project to our UFO coordinator. Have the UFO marked as completed.
4. Each UFO from list that is finished will make you eligible for special prize that month.
5. Finish all 6 by November 30, 2023 for a chance to win a prize basket.
6. We will have a UFO day for sewing at the shop each month. Attend for a chance to win prizes. You do not have to attend the sewing day to participate but you will need to show finished projects.
7. The club is designed for you to get some "mature" projects that have been lying around DONE. Make some new sewing buddies and be accountable.
